

A dramatic painting-style illustration serves as the background. It depicts a man with a white beard and a white turban, dressed in a yellow and red patterned robe, riding a camel. A large, golden lion is positioned to his left. In the background, a city with minarets is visible under a hazy sky. The overall atmosphere is one of grandeur and historical significance.

# THE SPLENDOR OF OMAYAD

the caliphates of omar ben abdel-azez

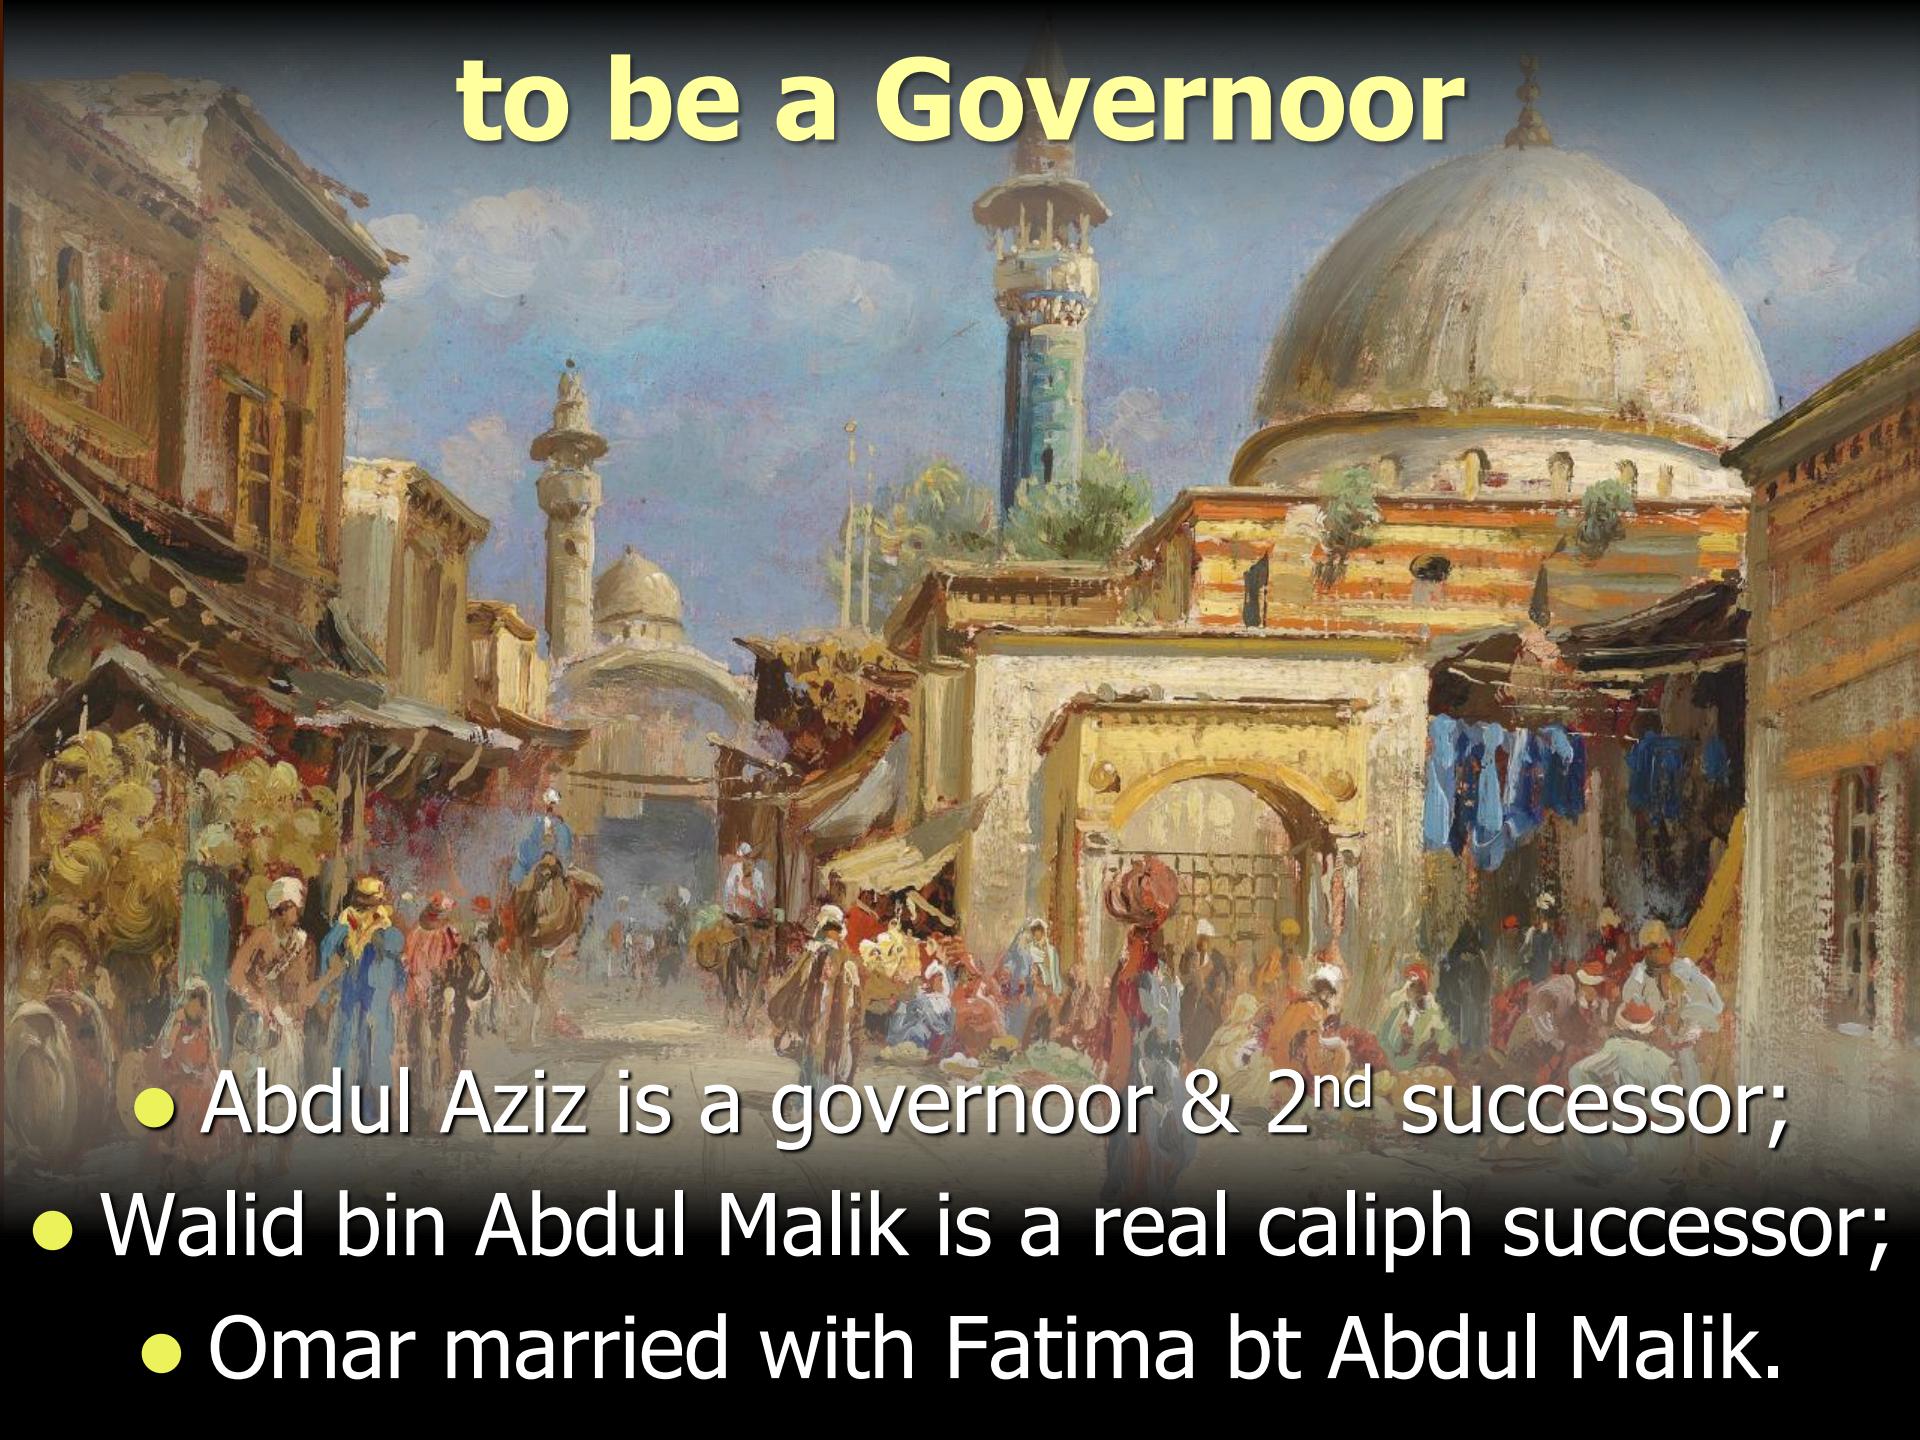

by Salman Iskandar, Predator Buku
